

Sports Cards eligible for SSAs

“Sportkaartbesluit” - September 2020

1 Preface

Student Sports Associations (SSAs) are student-led associations that offer student sports in Eindhoven with the support of the SSCE and as members of the ESSF.

SSAs are required to check at all times that those that attend specific activities are holders of a “Student Sports Card”. These specific activities are:

- All activities where SSCE materials are used without additional costs for the SSA
- All activities where an SSCE trainer is present as a trainer

These checks have to be performed at any accommodation, including the external accommodations used by the associations. Specifically, every activity at the SSCE has to comply with SSCE entrance policy (requiring Sports Cards).

EXAMPLES

Allowed activities without a Sports Card

- Drinks or social activities.
If you have organised a drink at the SSCE, SSCE entrance requirements apply.
- Reunions with old members

Activities only allowed with Sports Card

- Training moments
- Social activities in which the sport is performed using SSCE materials, except when materials are rented.
- Activities with a paid SSCE trainer present

To make sure that the SSAs stay student-run, and student populated, the SSCE and ESSF have determined a list of eligible Sports Cards (a subset of the total amount of possible cards), which together will be known as “Student Sports Cards”.

2 List of Student Sports Cards

The following cards are considered to be “Student Sports Cards”:
